Training and education at the specialty level usually requires a master's degree and clinical experience and supervision for licensure or certification.
Additional Information	Sources: Abridged from definitions provided by the National Board of Certified Counselors and the American Association of Pastoral Counselors.

The Healthcare Provider Taxonomy Code Set is a hierarchical code set that consists of codes, descriptions, and definitions. That Code Set is available from the Washington Publishing Company. The Code Set is maintained by the National Uniform Claim Committee. The Code Set is a Health Insurance Portability and Accountability (HIPAA) standard code set. As such, it is the only code set that may be used in HIPAA standard transactions to report the type/classification/specialization of a health care provider when such reporting is required.
